WORK EXPERIENCE

Web Developer
CrosCrowd Creative

01/2016 – Present   *Los Angeles, CA*

CrosCrowd Creative is a small business specializing in web development and content creation for small businesses looking to expand their online presence. Services include full-stack solutions as well as creative digital marketing campaigns. I utilize commercial graphics and animations that are made in-house using Adobe Creative Suite, Autodesk Maya, and Redshift.

Customer Operations Manager
Thrive Financial Inc

02/2020 – 06/2020   *San Francisco, CA*

ThriveCash is a fintech startup backed by Max Levchin and Craft Ventures. I was responsible for underwriting new loans for students, managing payment plans, and minimizing our portfolio's default rates. I was also responsible for parsing customer data, running queries, and identifying demographics to ensure the growth of future financial products.
